Please note: It is essential that the Certificate is applied for well in advance of the intended date of export.

• Please read these notes carefully before you fill in this form.

1 When do I use this form?

You can use this form to apply for a Certificate of Permanent Export (V561) if you do not have a V5 Registration Document or if you only have a green New Keeper's Supplement (V5/2).

If you **do** have a V5 Registration Document, you must notify export by completing the relevant section on it.

If you or the previous keeper of the vehicle have previously been issued with a V5C Registration Certificate, you cannot use this form to apply for a Certificate of Permanent Export.

You should notify export by completing the V5C/4 "Notification of Export" section of the certificate. If you do not have a V5C you should use form V62 "Application for a Registration Certificate" to apply for a replacement. You can get a V62 from all Post Office[®] branches, DVLA Local Offices or for download from our website.

Alternatively, if you have previously had a V5 or V5C for your vehicle in your name, and there is no change in vehicle or personal details, you may apply for a duplicate V5C over the phone. To use this service contact Customer Enquiries (Vehicles), on 0870 240 0010.

2 Where do I apply?

- To your nearest DVLA Local Office the address can be found in the phone book under "Driving and Vehicles (Vehicle Registration and Licensing)". Alternatively, to find the nearest Local Office serving your postcode area please call 08702 430444. You will be asked to provide your postcode.
- Or, by post to: DVLA, Swansea SA99 1AG.

3 What documents will I need to produce?

- Proof of identity such as driving licence or utility bill, to be produced at the DVLA Local Office.
- New Keeper's Supplement (V5/2), if you have it.
- No fee is required for this application.

4 When will I get the Certificate of Permanent Export?

The DVLA Local Office can issue the Certificate over the counter, provided that you are the registered keeper and that all checks are satisfactory. However it will not be issued more than 2 weeks in advance of the intended date of export.

5 What if I find the Registration Document?

If you find your Registration Document after you have applied for an export certificate, you should send the V5 back at once to DVLA, Swansea SA99 1AG.
